Please note that to join this contest, the cosplay must have been at least 50% handmade – not purchased. Any open spots in the contest will be filled on a first-come, first-served basis.

Please note that any day-of sign ups will be seen by the cosplay contest judges after those who pre-registered online. The categories to compete in are: Youth (ages 11 – 16), Armor & Foamwork, and Sewing & Textiles. Prizes will be awarded to the top three competitors in each category, with a prize of \$1,500 for the Best in Show!

### 3:00 P.M. – KID'S COSTUME CONTEST

5:00 P.M.

Calling all knights, heroes, princesses, and more! We are looking for shining stars to take the stage and show us the characters they love! No early application or sign-up will be required. This fun contest is for children ages 1 – 10 only (every child must be accompanied by an adult at all times). The costumes can either be made (by the child or someone else) or purchased – all are eligible to win a prize as one of our 3 shining stars!

Each child in the contest will stand before the crowd and show us their costume – they can pose, dance, or show off their best fighter moves – whatever they want! Afterwards we will walk the convention floor in a big parade of costumes!
