

# WORKSHOP ROOM SCHEDULE

## FRIDAY, 8/9/24

### 3:00 P.M. WORKSHOP: COSTUME BASICS – ZOMBIE SHIRT

Only 25 spots available – \$10/person – Cash/Venmo Only

Follow along with Trevor, as they share tips and tricks with you to elevate your “horror-wear.” You will leave with a shirt of your own creation and an understanding of materials and skills used. Warning; includes working with things that will stain or dye clothing!

Presented by costumer/sewist Trevor Kleist from Heartstoppers Haunted House

### 4:00 P.M. PANEL: COSPLAY 101

Basics of cosplay and cosplay costumes. Join Sandra's Cosplay Asylum and Gazelleon Cosplay as they discuss basic ideas for beginners who are trying to create their first Cosplay.

### 5:00 P.M. DEMONSTRATION: BACKDROPS AND FACADES

This demonstration teaches the various techniques that are used to create environmental textures utilizing a variety of readily available materials. Spectators will listen to a detailed explanation of all the processes as well as view a live demo of how these techniques are performed. Presented by Rain Williamson of Rain Factor FX, and Troy Alan Larson of Unworldly Exhibit.

### 6:00 P.M.– 8 P.M. WORKSHOP: TAKE AND PAINT A FOAM PROP – SHIELD AND DAGGER

Only 25 spots available – \$25 per person (ages 12+) – Cash/Venmo Only

Master cosplayer Becky Lee Evans – aka Going Ape Costume – has constructed 25 foam shields and daggers that you can take and paint! Several painting techniques covered, including dry brushing & aging techniques. The foam painting panel was a hit last year so 10 more seats have been added!
