Frequently Asked Questions

Q. How do I participate as an exhibitor at the 2026 Elko Mining Expo?

A: If you had a booth at the 2025 Elko Mining Expo your company is a **Legacy Exhibitor** and will have first right of refusal to the same booth space held in 2026. If you did not have a booth at the 2025 Elko Mining Expo your organization will be considered a **New Exhibitor** (see additional information below).

Q. What is first right of refusal?

A: Once booth space is secured the exhibitor becomes a **Legacy Exhibitor** and is entitled to the same booth for consecutive Elko Mining Expos. If the space is voluntarily released, or contract with payment is not received by the established deadline the space is considered released. The Legacy Exhibitor will no longer be entitled to the space and other exhibitors will have the opportunity to secure forfeited space.

Q. What if I am a Legacy Exhibitor and wish to move to a different location?

A: The ECVA maintains a waiting list of Legacy Exhibitors who wish to change booth spaces. To ensure your spot in the show, you will need to register and pay for your current booth space and request to be added to the waiting list. Moving is fully contingent on which Legacy Exhibitors release their booth space. There is no guarantee requests can be accommodated. If the desired space becomes available and the move request can be accommodated your listed representative will be contacted and any payment adjustments will be processed to secure the move. Please email MineExpo@elkocva.com to place your request.

Q: How do new exhibitors register for the 2026 Elko Mining Expo?

A: New Exhibitors can request addition to the wait list and will be offered space on a first-come, first-served basis. To be added to the wait list, email your contact information and desired booth size to MineExpo@elkocva.com. New Exhibitors will be contacted beginning March 25, 2026 with options.

Q: Can an exhibitor transfer their booth space to another organization?

A: As there is a waitlist, exhibitors may **NOT** transfer their booth space to another organization. Should an exhibitor "lease or transfer space" to another organization, exhibitor will have contract terminated and will not be entitled to a refund. The organization receiving the "leased or transferred space" will not be permitted to exhibit and space will be offered to an organization on the exhibitor waitlist.
